5. [REDACTED] Mr. Skates, in the office of Representative Wayne N. Aspinall (D., Colo.), called to ask if I could identify someone who could help Robert Pickford, of Fairfax County, who is gathering an inventory on Federal land within the county. I suggested that Pickford inquire of GSA which is the responsible executive agency for such matters. Skates said Pickford had tried this route without success. Later, based on the advice of Mr. John Blake, Director of Logistics, I gave Skates the name and telephone number of the responsible GSA officer. Skates, picking up a slight reference he had made earlier, then asked if Roy Eckert of GSA would have information on the Agency's holdings, and I told him it was my understanding he had information on all Federal land but that I am not familiar with the details of any further breakdown. Skates said he would relay this to Pickford.
